The Junior Class Presents

*"I am the vine, ye are the branches:
He that abideth in me, and I in him,
the same bringeth forth much fruit:
for without me ye can do nothing."*

John 15:5

THE FINIAL OF 1954

Life Verse: "And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me." II Corinthians 12:9

Dedication

Other schools have classes and bells and books and teachers, but no other school has Buck Hatch! He is a very special and beloved possession of Columbia Bible College.

The Rev. James M. Hatch came to the faculty of Columbia Bible College in the fall of 1947 having just received his Master of Arts degree at the University of Chicago with a double major-psychology and social studies. If questioned as to why he added social studies he would probably explain that his field of learning was so narrow - he knew nothing about everything, and that would be a typical Hatch remark. He would not mention that this was a difficult undertaking.

Previously Mr. Hatch had graduated from Duke University where he had been a Pre-Med student, for he had planned to be a doctor. Then one night in his senior year he came to the end of himself and found the Lord Jesus Christ as his Savior. That changed everything for him then and forever.

He entered CBC as a graduate student in 1936 and three years later received his Master of Theology. But that was not the most important thing that he received, for here he learned a secret of life, which he would ever after be sharing with others. He learned that Christ did not simply save him and leave him alone, but that He came to dwell within the trusting obedient heart in order that He might live out His life through him. He had been limping along in defeat but the moment he saw the truth of an indwelling Christ, he testified that he threw away his crutches and walked!

Shortly after finishing his work at the Bible College he was married to a high school sweetheart and took a pastorate of four small churches in Mississippi, where he remained for five years. Here his first two sons were born. Later a third and fourth were born to complete the male quartet.

At CBC he has taught Anthropology, Educational Psychology, General and Advanced Psychology, Hermeneutics, Christ in the Old Testament, Prophets, and Epistles. During most of his years in Columbia he has held a pastorate as well. He has been the beloved advisor to more than one class and more and more he has given his time to the counselling of students.

Because of his high regard for the married estate he has become the "Marryin' Sam" of the Bible College. Somehow lovers feel more secure when Mr. Hatch has tied the knot.

When the Junior Class of 1954 chose for the theme of their yearbook, "Abiding in Christ," they decided that if that was the theme of anyone's life and preaching it was of Mr. Hatch, their advisor. They can hear him yet leading their class prayer meeting with the chorus he had adapted:

If you want joy, real joy, wonderful joy
Let Jesus abide in your heart.

And so because of his sweetness, his humility, his counsel, his love, his scholarship, his simplicity, his shyness, his diagrams, his grin, his message of exalting Christ we lovingly dedicate this book to BUCK HATCH!

A Message
from
our New President

Dear Seniors:

These years of association with you here at the Bible College have been a happy experience for many reasons, but above all others is the fact that you have been here in the will of God and for the will of God. In comparison to every other basis of association, this one alone is the secret of fellowship that is real and meaningful.

To be in the perfect will of the Lord, and to be training for whatever future service is in the will of the Lord—this has been the blessed opportunity that has been yours at Bible College. To be in the perfect will of the Lord, and to have some part in training you for the service of the Lord—this has been my joyous privilege these years.

And now our Bible College association has come to an end, but not our fellowship. This will abide, regardless of where we are in coming years, so long as we individually abide in the Vine, and in His will.

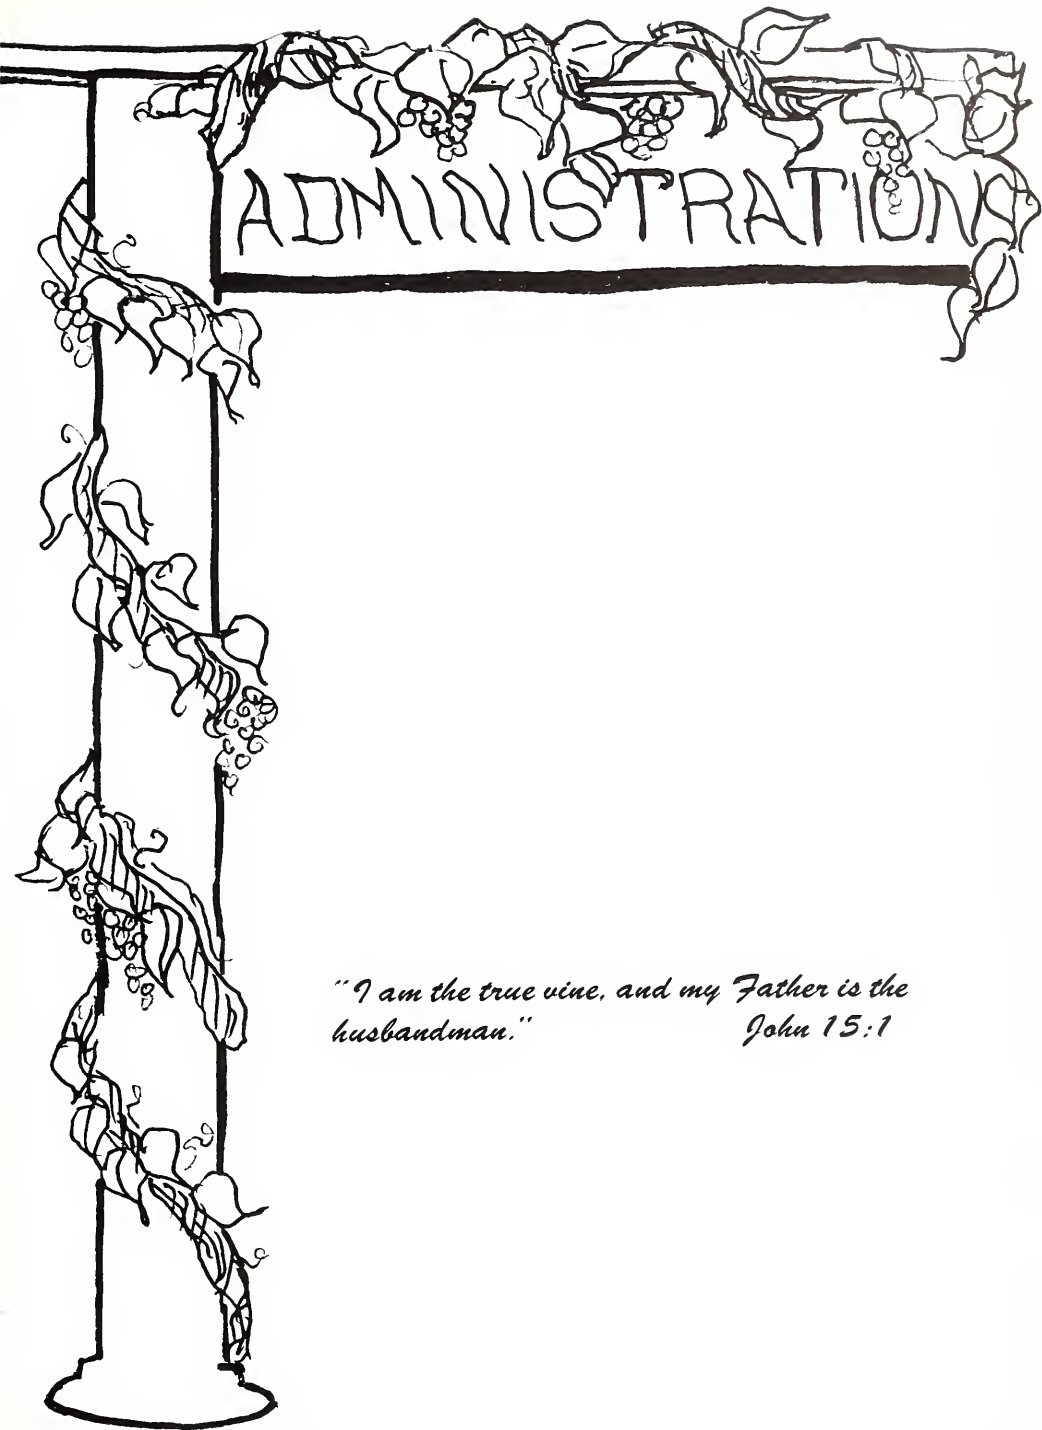

John 15:5 is a glorious theme for the Finial. It points back to the central truth that you have learned at CBC; and it points ahead, reminding you of the Lord's secret for all that is involved in your future life and service. "Jesus never fails"—abide in Him.

Hudson Taylor gave us the heart of this verse when he said, "In all your work for Jesus, be sure that you work with Jesus."

The Bible College without Jesus would be nothing; Jesus without the Bible College is still everything.

Yours in His sufficiency,

Galen Hume

"I am the true vine, and my Father is the husbandman."

Year Verse '54'

New Campus Site . . .

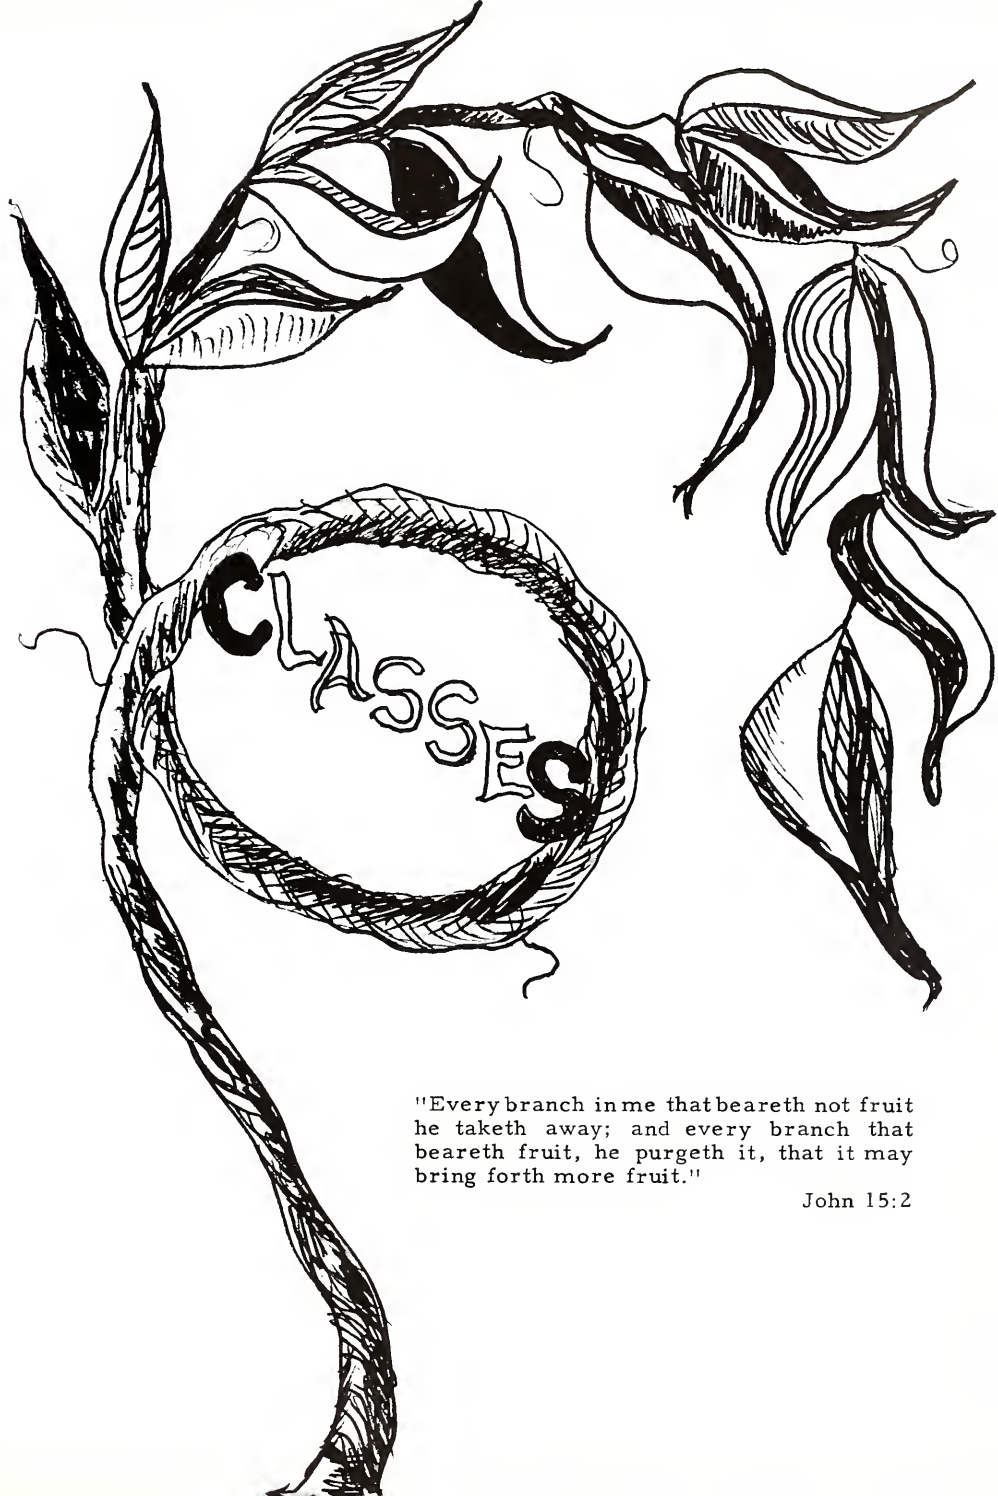

The 300 acres of rolling land is on the edge of Columbia, extending from highway 215 to the Broad River. One of the highest sections of the land overlooks the restful river and presents a breathless view. The smooth lake, surrounded by woods which is controlled by a dam and spillway, adds to the grandeur of the property and affords a wonderful place for prayer and meditation. You would have to see the property for yourself to fully appreciate the beauty and potentiality of this God-given tract of land.

The map at the left, prepared by Bob Gray, shows the property (dotted area within circle) and its relationship to the city of Columbia and highways passing through Columbia.

"Fear not . . . be glad and rejoice; for the Lord will do great things."

MRS. H. T. PATTERSON

One of the cherished memories in the hearts of C.B.C. alumni, is the picture of Mr. and Mrs. Patterson, walking through our halls hand in hand. Mrs. Patterson left us and the husband to whom she was a devoted helpmeet, on May 30, 1953, at the age of seventy-three, after several years of poor health. She was a quiet, unassuming woman, with sterling Christian qualities and many lives were saddened by her leaving.

In Memoriam

"Blessed are the dead which die in the Lord . . . their works do follow them."

Rev. 14:13

MRS. GUY TARRANT

Although unknown to most of the students, Mrs. Guy Tarrant's life has been invaluable in the work of the Bible College. She went to be with the Lord on October 21, 1953, after sixty full years of living for Jesus.

She was a member of the small prayer group of devoted women, who, with Dr. McQuilken, were the human instruments in the founding of C.B.C. She served as a member of the Board of C.B.C. from its beginning. She was active also in the leadership of Ben Lippen School and Conference, serving as hostess at the conference for a number of years. She gave much to all three institutions in time and prayer support.

"Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you."

F. M. F.

On December 18, 1952 an impossible goal was set by CBC's Foreign Missions Fellowship--a money goal several hundred percent larger than any former year and to be accomplished in one third the usual time. By faith they would commit themselves to buy a plane for pioneer work in New Guinea at a cost of \$5,000. The order for the plane must be given by April 8.

Impetus behind this unusual undertaking was the martyrdom of two CBC missionaries, Walter Erikson and Ed Tritt earlier that fall. Students had been shocked by the news and stirred to action. Not all could take their places, but all could give to the furthering of the gospel in that land.

Students were joined by the faculty in earnest believing prayer. There was much searching of hearts to see what the Lord wanted each one to do. The sacrificial work and prayer and giving was crowned by success, for on April 8, not only was the money for the plane in hand but an additional \$2,000 had been given to provide the plane with floats.

Right now CBC's Memorial plane is flying missionaries and supplies into the dark interior of New Guinea in order that men there may also hear the Gospel.

Round the Clock

Look 'round the page and you will see a typical day at C. B. C.
 We rise about six and wash our faces,
 Put on our clothes, and take our places
 Beside our beds for the time of prayer
 That makes us ready for this day's share
 Of joy and testing. Then, after we eat,
 It's time for classes--and what a treat!
 In his 'ry or Bible, our hearts always sing,
 For, from science to chapel, we honor our King.
 The afternoon's spent in a number of ways--
 Perhaps playing ball on those nice, sunny days,
 Or practising music, working in stores,
 Studying, talking-- or taking some snores.
 At seven, we all have to reach for the books,
 Pausing only to iron or clean up our nooks.
 When finally it's time to turn out the light,
 We're tired but happy when saying "Good night."
 This day has been full, with it's taking and giving,
 But since He's the center-- we've really been living!

Campus Improvements

Phi Alpha

The Phi Alpha society offers to our women an opportunity to become acquainted with the cultural and practical sides of living. It presents programs that offer instruction and practice in etiquette, parliamentary procedure, good music and art.

Forensic

Although the men have opportunities to speak in churches, many of them find in Forensic an outlet for their talent and views on other subjects. They debate on many issues and discuss current events. Members of both groups find these societies a great aid in their future service.

Perhaps You've Noticed -----

that our Finial is a bit smaller this year than in previous years and that there is a mysterious absence of ads in the rear section. We felt sure that you would like to know why. Gathering ads in the past has been a most laborious job and, even though other colleges do use this method for financing their annuals, we felt that it was bordering on soliciting, which is against our Bible College policy. Could we trust God to show us another way? We found that by cutting down here and there we could have a nice Finial and still not have to use an Ad section. Do you like the change as much as we do?
